This bulletin is being issued to clarify concerns raised regarding the bidding documents for the above-mentioned procurement activity based on the agreements reached during the Pre-bid Conference held on June 9, 2021 at the BMB Training Center. All prospective bidders are hereby informed of the following clarifications:

1. Additional supplies, materials and fees (i.e. mobilization fee) needed to practice proper safety and health protocols due to the Covid-19 pandemic shall be borne by the Contractor; the Bureau wishes to clarify that costs for such must be integrated in the final bid by the potential contractors using the Bill of Quantities provided by the Bureau; and
2. Quotation for the above project shall be based on the Scope of Work, Bill of Quantities and Plans/Drawings provided by the Bureau as stated in the Bidding Documents; the Bureau wishes to clarify that findings in the Site Investigation Report submitted as part of the technical requirements **shall not** be the basis of the quotations, rather the Report shall become the subject of negotiation between the Bureau and the winning bidder.

For your information and guidance.
