TERMS OF REFERENCE

PROCUREMENT OF CONSULTANCY SERVICES AS INSTITUTIONAL DEVELOPMENT SPECIALIST FOR THE DENR-UNDP/GEF PROJECT ON INTEGRATED APPROACH IN MANAGEMENT OF MAJOR BIODIVERSITY CORRIDORS IN THE PHILIPPINES OR BD CORRIDOR PROJECT

I. Background

The Department of Environment and Natural Resources (DENR), with funding from the Global Environment facility (GEF) and support from the United Nations Development Program (UNDP), is implementing the project entitled **“Integrated Approach in Management of Major Biodiversity Corridors in the Philippines”** or **BD Corridor**. The Project aims to operationalize integrated management of biodiversity corridors to generate multiple benefits including effective conservation of globally threatened species and high conservation value forests, reduce deforestation and degradation and enhance local biodiversity-friendly livelihoods. This Project has four components, namely:

- Component 1: Effective coordination and governance framework for integrated ecosystem management in the Philippines biodiversity corridors system;
- Component 2: Application of integrated network design and management of biodiversity corridors to ensure continued stability and sustainability of their biological, ecosystem services and socio-economic conservation values;
- Component 3: Community-based sustainable use and management systems in the two pilot biodiversity corridor systems in the Philippines; and
- Component 4: Knowledge management, gender mainstreaming, learning, monitoring and evaluation.
