QUERY/CONCERN	CLARIFICATION
<i>The Specific Areas in Region III covered by the Scope of the Project.</i>	The development of the Banaba roadmap is primarily centered within the project sites in Region III, specifically in the predetermined provinces of Bataan, Pampanga, and Zambales. However, as part of the analysis of the consultant, the scope of this project / research may extend beyond the confines of these areas/locations in tracing and mapping of key players in the entire Banaba value chain.

For your information and guidance.
