- e. Perform such other functions as may be directed by the Secretary.

#### 5.1.2. Environmental Law Enforcement Division (ELED)

The ELED shall be composed of the Logistics and Operations Section, Intelligence and Counter-Intelligence Section, and the Investigation and Detection Section, and shall be headed by a Division Chief.

The Enforcement Divisions of the DENR Regional Offices, Enforcement Units of the Mines and Geosciences Bureau (MGB), Environmental Management Bureau (EMB), Protected Area Management Office (PAMO) (in case of legislated Protected Areas) and Enforcement Sections of the Provincial Environment and Natural Resources Offices (PENROs) and Community Environment and Natural Resources Offices (CENROs) shall be under the operational control of the ELEPS and its supervising officials, but shall continue to be under the administrative jurisdiction of their respective offices. However, the Regional Executive Director (RED) shall continue to exercise supervisory control over regional operations.

The Enforcement and Monitoring Section/Unit in the PENRO/CENRO shall serve as the frontline units for the enforcement of ENR laws, rules and regulations in the field level.

In the case of the legislated protected areas, the enforcement unit of the PAMO shall be the frontline unit for the enforcement of ENR laws in the NIPAS, with the Protected Area Superintendent (PASu) as the Chief Enforcement Officer.

The Palawan Council for Sustainable Development Staff (PCSDS), as far as the province of Palawan is concerned, shall continue to perform its enforcement functions under its mandates. Its Executive Director shall report directly to the Secretary, conduct lateral coordination with the Director of the ELEPS on enforcement concerns, and assist the latter in the performance of its enforcement functions.

The ELED shall have the following functions:

- a. Enforce, interdict ongoing violations, arrest, investigate, and prepare to prosecute all violations of environmental and natural resources laws, rules and regulations;
- b. Impose forest protection fees as provided under Section 65 of P.D. 705, as amended, and other administrative fees authorized by law;
- c. Impose administrative fines;
- d. In coordination with the Director of the DENR Legal Affairs Service (LAS) or its equivalent at the field level, assist in filing the appropriate cases in court in consultation with the National Prosecution Service of the Department of Justice (DOJ) when necessary, and with the Office of the Ombudsman in cases involving government officials and employees;
- e. Coordinate with the DOJ, Philippine National Police (PNP), Armed Forces of the Philippines (AFP), the National Bureau of Investigation (NBI), and other government law enforcement agencies, including government-owned and controlled corporations (GOCCs), to aid in the enforcement of laws against environmental crimes;
- f. Ensure that enforcement officers are properly provided with the necessary protective gears and equipment in the performance of their official functions;
- g. Conduct intelligence operations and endorse forensic investigations;
- h. Issue and serve show cause orders and notices for the appearance of any person for investigation or production of any document, through its officers from the ranks of the Director, RED, PENRO, CENRO, and PASu (in case of legislated protected areas). It shall also refer any person who disobeys or did not act upon such invitations and notice to proper authorities for further investigation; and
- i. Perform other related functions as may be assigned.

#### 5.1.3. Environmental Protection Division (EPD)

The EPD shall be composed of the Inter-Agency Relations Section and the Protection and Prevention Section, and shall be headed by a Division Chief.

It shall have the following functions:

- a. Formulate and recommend policies, guidelines, and programs necessary to effectively carry out the enforcement mandate of the ELEPS;
- b. Oversee the custody of all seized and confiscated items, implements, conveyances, tools and equipment;
- c. Supervise disposal of confiscated items in administrative cases pertaining to environment and natural resources violations, and execute decisions in cases as may be directed by the court;
- d. Establish and maintain coordination mechanisms with the Pollution Adjudication Board (PAB) and other law enforcement agencies locally and internationally;
- e. Develop/recommend enforcement systems and strategies using the most advanced and reliable technologies;
- f. Maintain database of all relevant information such as, but not limited to, environmental cases, environmental incidents, permittees, licenses, park and forest occupants, tenured migrants, and scientific research data and information;
- g. Implement Cease and Desist Orders (CDOs), Closure Orders, and Notice of Violations (NOVs) issued by the EMB, PAB, and issue DENR Enforcement Order for *in flagrante* violations and in the exercise of its administrative powers pursuant to existing environmental laws, rules and regulations; and
- h. Perform other related functions as may be assigned.

The staffing of the ELEPS shall be in accordance with the organizational structure as approved by the DENR Secretary. The outline of the organizational structure of the ELEPS is attached as Annex A.

## **5.2. Enforcement Coordination Mechanism**

- 5.2.1. All Bureaus and attached agencies shall establish and maintain close coordination with the ELEPS in networking with national and international coordinative bodies, multi-lateral agencies, and organizations that addresses environmental crimes. The Enforcement Task Forces related to enforcement shall be subsumed under the ELEPS. The Enforcement Units of these offices/bodies shall provide the necessary assistance in the exercise of powers and functions of the ELEPS as provided in this Order.

5.2.2. All previous issuances for inter-agency related task forces exercising enforcement functions shall be subsumed by the ELEPS.

5.2.3. The DENR Field Offices, in coordination with the ELEPS, shall be tasked to initiate the formation of multi-sectoral environmental law enforcement coordinating mechanism to broaden the support for the environmental law enforcement mandate of the Department.

**SECTION 6. Capacity Building.** In order to effectively perform its functions, the ELEPS officials and personnel shall undergo continuing capacity-building on the enforcement of environmental laws, rules and regulations.

6.1. The ELEPS, in coordination with the Human Resource Development Service (HRDS) shall formulate training programs relevant to the enforcement mandate of the Department.

6.2. The DENR enforcers shall undergo basic and higher-level training, physical skills, marksmanship training, workshops and other related disciplines to keep abreast with the dynamic changes in environmental law enforcement and protection, to develop techniques and strategies in detection and apprehension of environmental crimes.

6.3. The Regional Field Officers/Enforcers shall be required to undergo the necessary trainings needed in coordination with other law enforcement agencies and offices which have vast knowledge and expertise in the field of environmental protection, enforcement, intelligence gathering, case build-up, investigation and apprehension.

**SECTION 7. Funding.** The budgetary requirements for the initial operationalization of the ELEPS shall be sourced from, but not limited to, the funds allocated for the Environmental Protection and Enforcement Task Force (EPETF), subject to the submission and approval of a Work and Financial Plan (WFP) and in accordance with budgeting, accounting and auditing rules and regulations.

**SECTION 8. Transitory Provisions**

8.1. All real and personal properties, documents, records and other papers related to enforcement which are kept and/or managed by the EPETF and other similar enforcement task forces previously created by the DENR Secretary which are hereby deemed abolished, shall be turned over to the ELEPS.

8.2. All officials and personnel currently assigned and/or designated to the EPETF and other similar enforcement task forces shall continue to serve as staff or enforcers of the ELEPS.

8.3. Pending approval by the Office of the President of the staffing pattern for the creation of the ELEPS, any other personnel of DENR offices, Bureaus and attached agencies may be detailed or transferred in the ELEPS through a Special Order (SO).

8.4. The Director of the ELEPS, in consultation with the Personnel Division/HRDS of the DENR shall formulate a staffing pattern of the ELEPS for submission to the Department of Budget and Management (DBM) for approval within three (3) months upon effectivity of this Order.

8.5. The Director, in consultation with DENR offices, Bureaus and attached agencies shall formulate the operational guidelines of the ELEPS.

**SECTION 9. Separability Clause.** If any portion of this Order shall be held invalid or unconstitutional, the other portions or provisions hereof which are not affected shall continue to be in full force and effect.

**SECTION 10. Repealing Clause.** All Orders, Memoranda and Circulars inconsistent with this Order are hereby repealed or modified accordingly.

**SECTION 11. Effectivity.** This Order takes effect fifteen days (15) after its publication in a newspaper of general circulation and upon acknowledgement of receipt of a copy thereof by the Office of the National Administrative Register (ONAR), UP Law Center.
