

**DENR Memorandum Circular**  
**No. 2012 - 93**

OCT 30 2012

**SUBJECT : LIST OF CLASSIFIED CAVES**

Pursuant to Republic Act No. 9072 (National Caves and Cave Resources Management and Protection Act), DENR Memorandum Circular No. 2007-04 (Procedure in Cave Classification) and upon recommendation of the National Cave Committee and concerned Regional Cave Committees, the list of classified caves is hereby issued for the guidance of all concerned:

**Section 1. Objective.** The primary purpose for the classification of the subject caves is to conserve, protect and manage the natural wealth and heritage of caves and the resources found therein.

**Section 2. Cave Classification.** DMC 2007-04 prescribes the following classes of caves in the country:

**Class I.** Caves with delicate and fragile geological formations, threatened species, archeological and paleontological values, and extremely hazardous conditions. Allowable activities are limited to mapping, photography, educational and scientific purposes.

**Class II.** Caves with areas or portions which have hazardous conditions and contain sensitive geological, archeological, cultural, historical and biological values or high quality ecosystem. It may be necessary to close sections of these caves seasonally or permanently. It is open to experienced cavers or guided educational tours/visits.

**Class III.** Caves generally safe to inexperienced visitors with no known threatened species and archeological, geological, natural history, cultural and historical values. The caves may also be utilized for economic purposes such as guano extraction and edible birds' nest collection.

**Section 3. List of Classified Caves.**
